

Registered Nurse (part time)

Pegasus Medical Centre

Due to the resignation of one of team members we are now looking for another amazing registered Nurse to join our friendly and supportive Team at Pegasus Medical Centre.

We are a close knit, fun and positive Practice committed to providing excellent care for our patients.

Experience in general practice is essential together with a “can do ” attitude and a cheerful disposition. This role covers all aspects of general practice including wound management, diabetes care, immunisations, assisting with minor surgeries and good health outcomes for our patients. Experience with triaging and emergency response would be advantageous.

About you:

- Have Primary Care Nursing Experience
- Be a Smear taker (desirable but not essential)
- Be an Authorised Vaccinator (desirable but not essential)
- Have IV Therapy Certification
- Have effective communication skills
- Hold a Current Practicing Cert
- Be familiar with Evolution or Medtech32
- Able to work effectively in a large team
- Have compassion, empathy and recognise the cultural needs of patients
- Interested in ongoing education and extending current skills
- Have the ability to adjust to a variety of roles within the practice
- Be able to demonstrate the ability to maintain a high level of professionalism during stressful times

Flexible part time hours to suit will be offered to the right candidate.

If you are interested in the position and are keen to explore what working at Pegasus Medical Centre looks like we would love to hear from you.

Please email a cover letter and CV to manager@pegasusmedicalcentre.co.nz

Nicky Sloss

Practice Manager

Employer questions

Your application will include the following questions:

- Which of the following statements best describes your right to work in New Zealand?
- How many years' experience do you have as a registered nurse?
- How would you rate your English language skills?
- Are you currently registered with the Nursing Council of New Zealand?
